Pathfinder Bible Experience is the official name for the event where Pathfinders form teams from their local club to test their knowledge of specific Bible books and commentary sections with other Pathfinders. There are four different levels, starting with Area. To qualify to advance to the next level, a PBE team must score at least 90% of the top score for that level. The highest level is the Division Level where PBE teams from all over North America meet. It is a very enriching programme for all pathfinders and we are looking for more pathfinders to take the challenge.
