What Comes Next?

"There is in store for me the crown of righteousness, which the Lord . . . will award to me on that day." 2 Timothy 4:8

On the night of April 3, 1968, Dr. Martin Luther King gave his final speech, "I've Been to the Mountaintop." In it, he hints that he believed he might not live long. He said, "We've got some difficult days ahead. But it doesn't matter with me now. Because I've been to the mountaintop. And I've looked over. And I've seen the promised land. I may not get there with you. . . . [But] I'm happy tonight. I'm not worried about anything. I'm not fearing any man. Mine eyes have seen the glory of the coming of the Lord." The next day, he was assassinated.

The apostle Paul, shortly before his death, wrote to his protégé Timothy: "I am already being poured out like a drink offering, and the time for my departure is near. . . . Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day" (2 Timothy 4:6, 8). Paul knew his time on earth was drawing to a close, as did Dr. King. Both men realized lives of incredible significance, yet never lost sight of the true life ahead. Both men welcomed what came next.

Like them, may we "fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal" (2 Corinthians 4:18).

Letter-writing Project

Many elderly people are self-isolating because of the coronavirus situation and for some this means not seeing people for days on end. We would like to correspond with them to send them a happy message. We have several senior members in our congregation and others we know of in the community who would love to hear from the youth. You can write to them about anything you like that makes you happy and that would make them happy to read. Younger siblings can write simple notes and do a drawing, and parents are welcome to add their own letters too. It can be a whole family activity!

Simply scan or email your letters and drawings to youth@stanboroughchurch.org and we will print them off and pass on for you. Why not write a letter to a different person every day?

We really hope you can join in with our campaign to keep in touch. If you know any names that need to be added to the list, please email them through and we'll update the list when we can.

One Vision Project is leading the COVID-19 crisis and has joined forces with Watford Borough Council, Local MP Dean Russell, Interfaith Association, W3RT and other volunteers.

We are currently delivering 100 to 150 hot meals to our community and to NHS staff in Watford General Hospital every day. Food is currently cooked and donated by Prince of Bengal restaurant and Watford Sikh Gurdwara. We are also supporting the community with other needs and support as in the attached leaflet.

As the demand for our support increases, we are looking to provide provisions for the people who are coming out of hospital and the vulnerable who are affected in this crisis.

We are looking for more volunteers to support the project. Please get in touch if you wish to volunteer or would like further information. There is also the role of a 'street angel' where you would be the point of contact for those in your own and neighbouring roads for any needs they may have.

Donations towards this project are welcome, please find the details below of where payments can be made: One Vision Donation
