

Christmas Delivery

- Santa's helper
- Elephant
 - Teddy
 - Boy
 - Snowman
 - Dinosaur
 - Whale
 - Cat
 - Tortoise

Father Christmas went out on Christmas Eve to deliver presents. Follow the directions and then tell me who he delivered to. Write the name and coordinates.

Santa begins at (1,1) and goes 2 squares N. He is now on (1,3). He then turns to the E and moves 5 squares. Who am I? _____ (,). He then continues E 3 squares, turns to the S and moves 1 square. Who am I? _____ (,). Next he decides to move N 4 squares and then W 1 square. Who am I? _____ (,). Santa has a rest then flies W 6 squares. He then goes S 1 square and E 2 squares. Who am I? _____ (,). He has a drink and continues N 2 squares and W 2 squares. Who am I? _____ (,). Santa then goes E 8 squares then N 2 squares. Who am I? _____ (,). He wants to get finished so rushes N 1 square then W 2 squares. Who am I? _____ (,). He quickly moves W 3 squares and S 1 square. Who am I? _____ (,). Finally he rushes W 4 squares and N 1 square. Who am I? _____ (,).
