How have we separated our beliefs from how we live our lives? What should be the primary motivation in our lives, and how does this work out in practice? If we are witnesses for God and what He is, what do people see when they look at us?

Welcome To Stanborough Park Church

Get the word out. Teach all these things.
And don't let anyone put you down because you're
young. Teach believers with your life:
by word, by demeanour, by love, by faith, by integrity.
Stay at your post reading Scripture, giving counsel,
teaching. And that special gift of ministry you were given
.... do not neglect your gift..
