

Live to Serve

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." 1 Peter 4:10

After ten-year-old Chelsea received an elaborate art set, she discovered that God used art to help her feel better when she was sad. When she found out that some kids didn't have art supplies readily available, she wanted to help them. So when it was time for her birthday party, she asked her friends not to bring her gifts. Instead, she invited them to donate art supplies and help fill boxes for children in need.

Later, with her family's help, she started Chelsea's Charity. She began asking more people to help her fill boxes so she could help more kids. She has even taught art tips to groups who have received her boxes. After a local newscaster interviewed Chelsea, people started donating supplies from all over the country. As Chelsea's Charity continues sending art supplies internationally, this young girl is demonstrating how God can use us when we're willing to live to serve others.

Chelsea's compassion and willingness to share reflect the heart of a faithful steward. The apostle Peter encourages all believers in Jesus to be faithful stewards as they "love each other deeply" by sharing the resources and talents God has given them (1 Peter 4:8-11).

Our small acts of love can inspire others to join us in giving. God can even rally supporters to serve alongside us. As we rely on Him, we can live to serve and give Him the glory He deserves.
