**YOUNG ADULTS:** Prayer is the foundation of everything we do, and as we seek to grow and serve, we must also take time to lift our ministry, our community, and each other before God. With this in mind, we will be holding a prayer session once every two months, beginning with our first session on: **24th February**. Meeting ID: 864 8093 5800 Passcode: 814440. Speaker: Pastor James Shepley. This will be a time to come together in unity, pray over our plans, seek God's guidance, and intercede for one another. More details will be shared soon, but for now, mark your calendars! Let's make 2025 a year when we truly walk in Compassion in Action—not just in service, but also in prayer. Looking forward to seeing you there!

**EQUITY RELEASE SEMINAR** - There will be a FREE seminar in the Stanborough Centre on Tuesday afternoon the 18 March for all those who would like to understand more about Equity Release. Equity release is a type of mortgage that lets you access the money tied up in the value of your home. This will be an information only seminar with plenty of time for questions and answers. Philip Hadlow who lives locally and is a fully qualified independent financial adviser will present the seminar. He has a Christian background and is happy to come and explain the pros and cons of Equity Release. A light lunch will be available before the meeting. If you would like to come, please contact Brian Davison on 07957856715 who has arranged this seminar.

**THE GLOBAL SDA CHURCH** is reframing its health message with a positive, compassionate approach rooted in Shalom—God's vision of wholesome living and abundant life (John 10:10). Rather than focusing on risks, the revised health message will address negative perceptions and harmful practices to promote well-being, healing, and hope, aligning with research showing that benefit-driven messaging is more effective.

Our Health Ministries department will embrace this approach to support and encourage the practice of holistic living in our church and the wider Garston community using biblical principles and evidence-based health education. To get involved, contact Dr Caroline Perry (HM Lead) - [caz@mendel-it.co.uk](mailto:caz@mendel-it.co.uk).
