**DVD recordings of our services** are available for purchase or on 1-week loan. Order from the desk after the service.

**Over 60 computers are logged in** to our services on Sabbath mornings, with viewers from around the globe. Sadly, items of equipment frequently disappear from the AV room. Last week a cable was removed from a computer that provides sound for our internet viewers. This delayed the start of their service. If you require any equipment, please ask a member of the AV team who will be happy to assist where possible.
